THE MANAGER DARRELL CLARKE

Good evening everyone and welcome to the Completely-Suzuki Stadium for the visit of Peterborough United. A warm welcome also to the players, staff and fans making their way from Peterborough for tonight's game.

Ahead of this evening, the message to players has been clear, win the game and take it to the final day of the season. We have to remain positive. It's not in our hands anymore, we've been chasing teams down most of the season and today is no different. But if we can take it to that final game of the season you never know what can happen.

I still believe we can do it, there's certainly no white flag coming from myself. We'll remain committed to how we work and I'm hoping that whatever 11 or 18 that I put out there do the club proud and take it to that last game.

On tonight's game, Peterborough are a fantastic team with a fantastic manager. They're right in there and they have a very talented squad. We have to be very good to go and beat them, the question is can we go and put on one of those performances we were producing earlier on in the season for a full 90 minutes.

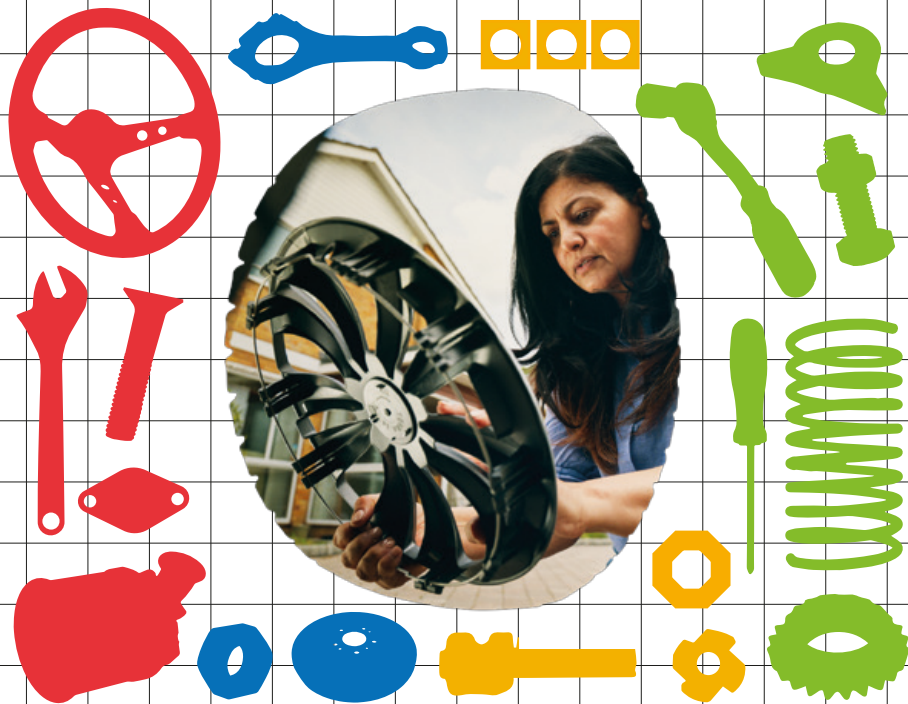

Lastly to the fans, you've been magnificent all season for me. We're not the biggest club in the league but the passion you all have for the club is immense. Now it's up to us as custodians of the club to be prepared as best we can to beat a talented Peterborough team.

A JOINT VENTURE BETWEEN IGLU BARS & CTFC

IGLU END OF SEASON UPDATE

As we come to the end of our first season, both us and Food on the Move would like to thank everyone at the club and above all the supporters for welcoming us in. We have had nothing but good feedback, with many supporters thanking us for revolutionising the matchday experience in the Optimising I.T Stand, with supporters now able to walk freely with food and drinks behind the goal. We've introduced loyalty cards which have been well received, had a DJ a fair few times and will keep trying new ideas.

A special word of thanks to Paul Bence and John Duffy who we work closely with and have been very supportive of all our schemes and ideas. Also, a big thanks to Whaddon Bowls Club for being nothing short of amazing to partner with in the club being able to offer away supporters a fan zone. This has been very well received by all visiting teams and something we will continue to develop, hopefully many of those same teams will be back next year with us in League One.

We are also excited to launch a big screen Euro fan zone here at the club. When you watch football on TV you always see them cut to London, Bristol, Liverpool etc and to the fan parks packed with people. Well, we now have one here in Cheltenham and more specifically at the club. This is very much a joint venture with the club, unlike most fan parks, we have decided to make it free, so people can spend their money on food and drink having a good time, and

this in turn will be putting money back into the club.

Full details can be found online, but we will have a large 15m squared screen, with top end PA system, huge bars, varied food outlets, music before matches and seatings for hundreds with further standing areas. 1500 or more will be able to attend and wouldn't it be amazing if we get to the final, on July 14th, and have it packed out here on a nice sunny day.

So all supporters, please don't head down the pub, come and watch the games here all together and put some money back into the club! We are discussing a few other off field events with the board that are to follow and this is an area we really want to work with the club and help grow.

Thanks again for this campaign, we look forward to seeing you all next season, but before then get your FREE TICKETS for the Euros fan zone.

2022/23

Having recovered from play-off agony last season, Peterborough United are ready to push once again for promotion back to the Championship.

Football fans in this country won't forget the scenes at Hillsborough in May last term as Sheffield Wednesday rose from the dead to overcome a 4-0 first leg deficit. On the receiving end were Peterborough – dreaming of an immediate return to the second tier.

But the Posh hierarchy kept the faith in manager Darren Ferguson during his fourth stint at the club and he has secured a top four finish with a couple of games to go. Hopes of automatic promotion remain although those are a long shot.

A run of five wins in their last six has brought them to this point with Saturday's 2-0 win down the M5 against Bristol Rovers the latest of those. It is an impressive response after four consecutive defeats in February threatened to derail their campaign and promotion ambitions following a 10-game unbeaten run at the end of last year. There has also been a new addition to the club's trophy cabinet in the Bristol Street Motors Trophy, after their victory over Wycombe Wanderers just a few weeks ago.

And Cheltenham is a ground they haven't lost at since 2005 with a 3-2 win their reward on last season's visit. Memories of the 3-0 win at their home in the reverse fixture also isn't to be forgotten for the side who have registered the most goals in League One this term.

At the heart of that is the captain, Harrison Burrows. Whilst he plies his trade at left-back, he has no shortage of attacking endeavour down the left-hand side with double digits in both goals and assists across the campaign. Teammates Joel Randall and Ephron Mason-Clark also fall into that bracket with the latter having 19 goals in the 2023/24 season.

Goals are an ever present when you look across the squad with attackers Kwame Poku, Ricky-Jade Jones and Jonson Clarke-Harris all also having notched up 10 of their own. Even centre back Josh Knight has five to his name. He is partnered at the back by the highly regarded Ronnie Edwards and the Englishman forms an impressive young core at the club that also includes Jadel Katongo and Malik Mothersille.

MEMORABLE MATCH

PETERBOROUGH 0-3 ROBINS

An Alfie May inspired Robins dispatched Peterborough United 3-0 when the two clubs met at the Weston Homes Stadium in March of last season.

A sublime strike in either half from the Cheltenham number 10 after Tom Bradbury opened the scoring ensured an important three points headed back to the Completely-Suzuki Stadium.

After May had an effort turned behind, the resulting corner from Will Ferry found the onrushing Bradbury who guided the ball first time into the bottom corner for his first EFL goal.

Six minutes later his was usurped as May brought down the ball in his own half and, after a creative flick to fashion an opening, he launched an audacious lob over Will Norris which teased the goalkeeper before bouncing into the goal.

The hosts looked to hit back as Joe Ward cannoned a left footed strike off the crossbar before Jonson Clarke-Harris saw an effort disallowed for offside.

However, in the second half the points were sealed after another moment of May magic.

A throw in from Ryan Jackson was cleared to the edge off the box and on this occasion, the striker unleashed an effort first time into the top corner for his 50th Robins league goal.

#HER GAME TOO IT'S #HERGAMETOO

In 2021, a group of passionate women fans felt mobilised to start a campaign called #HerGameToo.

The campaign is committed to fostering an ethos in football where women are welcomed and respected equally and can be confident sharing their opinions about football online and in person without fear of sexist abuse. This afternoon, we introduce two new advocates to the cause.

Cheltenham Town's Her Game Too ambassador, Kelly-Marie Selby, tells us: "Growing up loving football, it was so sad that not only did girls not have the opportunities that boys had to further their abilities, but trying to voice my opinion was almost impossible. As soon as I tried to express any views I was told I was a girl, I didn't know anything about football, and I should just concentrate on make up and being a girl."

"The younger me shied away from fighting, but as I got older, I knew this wasn't right and that I should be allowed to join in on conversations about football. So when the opportunity came to become an ambassador of an amazing campaign to empower women to have a voice without fear, I put myself forward. Over the past few months I've been ambassador for Her Game Too Cheltenham, and this has now grown

with three incredible ladies coming on board - Mary Stone, Taz Scales and Emily Moore.

"Together, we want to help create an environment at The Completely-Suzuki Stadium where women of all ages can feel welcome and safe without fear of sexism and misogyny, knowing there are avenues to report such incidents."

Introducing themselves, Taz explained: "53 years ago the ban of woman playing football was finally lifted, and now we are seeing woman on the big screens influencing the new generation. Her Game Too brings awareness to the struggles woman players and fans may face and how we can eliminate it. I am so excited to work alongside Her Game Too to raise more awareness and inspire the younger generations."

Alongside Taz and Kelly-Marie, Mary reflected on what the campaign is for her: "Her Game Too means being able to go and watch football games wherever I want, whenever I want,

without being made uncomfortable. In the short space of time I've been involved with this group, I've connected with so many female football friends, like Kelly and Taz, and sharing our experiences together shows exactly why we're doing what we're doing.

"I'd encourage everyone to find a way to get involved with Her Game Too, it could be through doing something so simple as wearing our badge or taking a more front facing role in tackling sexism in football."
