

Champions for YOUth Strategy

Our vison is to become Champions for YOUth

Mission Statement

We strive to be champion for YOUth by recruiting talented individuals, producing professional footballers, who are grounded individuals, whilst providing high quality facilities. Also, ensuring the academy is financially sustainable in a safe, enjoyable positive learning environment.

Academy Culture

SAFTEY

Does your behaviour affect the safety of others?

As part of our academy culture 'we often learn more from our mistakes and failures than our successes as we go through life'.

Therefore, we believe we must create and maintain a positive learning environment to allow our players, staff and parents to learn in an enjoyable and safe environment.

In order, to create this positive learning environment our academy culture and values must be lived by all.
